

TomTom Work Outlook Integration

Appointments to Orders

Send your appointments directly from your Outlook Calendar to your TomTom Work Go units.

Now, sending your appointments is as easy as 1,2,3 :-

1. Open an appointment within Outlook Calendar.
2. Display the TomTom pane and enter a postcode or select a WEBFLEET address.
3. Select the TomTom unit to receive the appointment details and click send.

The screenshot shows an Outlook appointment window titled "Sales meeting - Appointment". The "TomTom Work" pane is active, displaying a "Toggle TomTom Work Pane" button. The appointment details are as follows:

- Subject: Sales meeting
- Location: 50, BerkleyStreet, Birmingham, B12JP
- Start time: Mon 04/08/2008, 08:30
- End time: Mon 04/08/2008, 09:00
- All day event:

The main body of the appointment contains the text "Discuss new product development".

The TomTom Work pane on the right contains the following fields and options:

- Send the appointment to a TomTom (with a red hand icon)
- Please enter house number:
- Please enter post code: [Update Location](#)
- B 12JP
Birmingham
BerkleyStreet 50
- or
- Please select an address:
- Please select TomTom unit:
-

Outlook.connect

from **Connect
Fleet**

The order is received on the TomTom Go unit which shows the appointment details and navigates to the location.

Contacts to Addresses

Create an address in WEBFLEET directly from your Outlook Contacts.

The panel is automatically populated with your contact's information. You just give it a name and the contact is created as an address in your WEBFLEET account.
